

## 2014 Annual Report to the School Community

Glendal Primary School

School Number: 5010

Name of School Principal:

Deborah Grosseck

---

Name of School Council President:

Constance Szabo

---

Date of Endorsement:

16 March 2015

---

All Victorian government school teachers meet the registration requirements of the Victorian Institute of Teaching ([www.vit.vic.edu.au](http://www.vit.vic.edu.au)).

This school meets prescribed minimum standards for registration as regulated by the Victorian Registration and Qualifications Authority (VRQA) in accordance with the Education and Training Reform Act 2006, inclusive of those schools granted an exemption by the VRQA under the 'Student enrolment numbers' and/or 'Curriculum framework for schools - languages program' minimum standards until 31 December 2014.

## About Our School

### School Context

Glendal Primary School promotes a high standard of teaching and student wellbeing programs which foster a spirit of inquiry and a love of learning. Our school's vision is to prepare our students so that they thrive within a global community in the challenging, complex 21st-century world.

Our dynamic and professional learning environment is underpinned by a sense of energy and purpose, with highly engaged students and a motivated and caring staff. We aspire to the provision of a positive and supportive environment with high expectations and personalised care for all students and staff.

Our curriculum has a strong emphasis on literacy and numeracy with structures and practices that promote successful individualised learning outcomes for students.

Our aim is to extend knowledge, challenge thinking, provide choices and opportunities and ignite passions across the AusVELS curriculum.

The school was opened in 1971 and since 2007 has been largely rebuilt. It is situated on 2.5 hectares of land in Glen Waverley, an eastern residential suburb of Melbourne approximately 20 km from the central business district. Whilst many of the 870 students live in the neighbourhood area, some families travel from many other surrounding suburbs to attend the school. Enrolments are currently limited to families living in our immediate neighbourhood to ensure the ample provision of resources and curriculum opportunities.

We employ a high quality and dedicated staff who all work together to ensure that we maintain our high standards for the benefit of our students. The school is led by a Principal and 2 Assistant Principals along with a leadership team which includes 4 Leading Teachers all of whom have a curriculum improvement focus within their roles.

Our very modern facilities include recently built classrooms and an Administration building housing a Conference Room, Community Room (Mi Café – Meet and Inform), Health Centre and Staffroom. Our school also features an Arts Centre, Library and Computer Lab and a Science building incorporating six classrooms and literacy spaces for Reading Recovery and English as an Additional Language (EAL).

The full-sized gymnasium and Performing Arts Centre accommodates weekly assemblies, concerts, a Year 6 Graduation ceremony and musical performances as well as Music and Physical Education classes. Glendal is proud of its rich history, tradition of educational excellence and outstanding facilities which continue to grow and improve.

We extend all children's emotional and intellectual growth and, in addition, support the learning of our gifted and talented students as well as those that require additional help. A range of special programs, teacher aides and expert teachers are available for support. Our differentiated learning programs are underpinned by a comprehensive Student Wellbeing program.

We offer a wide range of specialist programs including a unique specialist Science and Technology program. In addition, our Year 2, 3 and 4 students are all involved in a Robotics program with a pre-robotics 'Simple Machines' program being offered to all Year 1 students. Children in Years 4 to 6, with special talents and interests in Robotics, are able to extend their learning further and, where the opportunity exists, compete against other schools locally, nationally and internationally.

Other specialist programs include PE and Sport, Music and Performing Arts, Visual Arts and two Languages Other Than English (Mandarin in Prep to Year 6 and French in Years 5 and 6). These languages are offered by our local secondary colleges.

Opportunities are provided for students to excel in programs such as the Science Talent Search, Chess, Robotics, the RACV Energy Breakthrough Competition; a wide range of sports, film making, choir, Senior and Junior Band and Performing Arts productions. Most importantly, each student's learning needs are catered for in every classroom every day.

Our Global Relations program includes regular student exchanges with our sister schools in the USA (Pennsylvania and Hawaii), St Petersburg and New Zealand. Our students also have the opportunity to work with other students and teachers from Our Joint Environmental Mission (JEM) sister schools every four to five years at the Earth Summit in Pennsylvania (2009 and 2014). The JEM program is an integral part of our school wide Sustainability and the Environment program. To enrich our senior school French program further, we offer an immersion study tour every alternate year to Noumea.

## Achievement

Student achievement and relative growth results in NAPLAN are very high, with students across a wide range of abilities making excellent growth in literacy and mathematics learning between years 3 and 5. Following our School Review in 2014 we have identified areas of improvement in literacy with a particular focus on Speaking and Listening and Writing competencies. School action to promote improvements includes further developing teacher capacity to make objective judgments of student achievement, strengthen the use of data to drive learning and building the capacity of students to self-evaluate.

## Engagement

Student absences for 2014 are low and similar to schools with a similar demographic profile with attendance being at 93% in years Prep and 1 and 95% in years 2-6. Younger students do experience more illness. A significant number of our families take extended family holidays, mostly overseas, each year. We are working on addressing attendance and in particular student late arrivals at school with newsletter articles and letters to individual families.

Our goal in this area is to improve student engagement and motivation to learn by enhancing the physical, social, emotional and academic experiences provided for students. We are working to strengthen student engagement, creativity and self-expression whilst building on teacher capacity to implement agreed pedagogy related to increased student engagement.

## Wellbeing

Student connectedness to school data, as measured by the annual Student Attitudes to School Survey, is very good and similar to that of similar schools. Our goal is to further enhance the wellbeing and emotional resilience of all students. We aim to improve social connectedness through improving communication with the community about school wellbeing programs and are currently progressing with our programs and strategies towards becoming an e-smart school.

## Productivity

Glendal Primary School is well staffed with a wide range of talented and specialist teachers and support staff. We are led by one Principal and 2 Assistant Principals. The leadership team includes 4 Leading Teachers whose roles include curriculum development and improvement across the school and in with a focus in the areas of Maths, English, Science and Assessment and Reporting. The school has 58.39 full time equivalent staff including 48.59 teachers and 6.8 Education Support Staff.

Our goal is to improve the Performance and Development culture in the school. We are continuing to structure a professional development program, including induction, which addresses priority learning areas and aligns with goals in Staff Performance and Development Plans.

For more detailed information regarding our school please visit our website at  
<http://www.glendalps.vic.edu.au>

## Performance Summary

The Government School Performance Summary provides an overview of how this school is performing and how it compares to all other Victorian government schools.

All schools work in partnership with their school community to improve outcomes for children and young people. Sharing this information with parents and the wider school community will foster engagement and collaboration to support further gains and positive learning experiences for all students.

### School Profile

#### School Enrolments

A total of 858 students were enrolled at this school in 2014, 420 female and 438 male.

<p><b>Overall socio-economic profile</b></p> <p>Based on the school's Student Family Occupation index which takes into account parents' occupations.</p>	
<p><b>Proportion of students with English as a second language.</b></p>	
<p><b>Parent Satisfaction Summary</b></p> <p>Average level of parent satisfaction with the school, as derived from the annual <i>Parent Opinion</i> survey. The score is reported on a scale of 1 to 7, where 7 is the highest possible score.</p>	
<p><b>School Staff Survey</b></p> <p>Measures the percent endorsement by staff on school climate derived from the annual <i>School Staff survey</i>. The percent endorsement indicates the percent of positive responses (agree or strongly agree) on school climate from staff at the school.</p> <p>Data are suppressed for schools with fewer than three respondents to the survey for confidentiality reasons.</p>

# How to read the Performance Summary

## What are student outcomes?

*Student outcomes* show the achievements of students in this school in English and Mathematics. They also show results in national literacy and numeracy tests and, for secondary colleges, the Victorian Certificate of Education (VCE) examinations. They provide important information about student attendance and engagement at school.

For secondary colleges, the Performance Summary also provides information about how many students at this school go on to further studies or full-time work after leaving school.

You can see these results for the latest year, as well as the average of the last four years (where available).

The Performance Summary also allows you to compare student outcomes for students at this school with the outcomes of students in all other Victorian government schools.

## What is a *School Comparison*?

The *School comparison* is a way of comparing school performance that takes into account the different student intake characteristics of each school.

A *School comparison* takes into account the school's academic intake, the socio-economic background of students, the number of Indigenous students, the number of non-English speaking and refugee students, the number of students with a disability, and the size and location of the school.

The *School comparison* measures show that most schools are doing well and are achieving results that are **'similar'** to what we would estimate given the background characteristics of their students. Some schools are doing exceptionally well with the students they have, and have **'higher'** performance. Some schools have **'lower'** performance after taking into account their students' characteristics – these schools will receive targeted support to ensure that there is improvement.

Looking at both the student outcomes and school comparisons provides important information about what a school is doing well and the areas that require further improvement.

Additionally, NAPLAN learning gain charts are provided for each of the NAPLAN domains. These compare a student's current year NAPLAN result to the results of all 'similar' Victorian students (i.e. students in all sectors in the same year level who had the same NAPLAN score two years prior).

If the current year result is in the top 25% their gain level is categorised as 'High', the middle 50% is categorised as 'Medium' and the bottom 25% is categorised as 'Low'.

More information on school comparison performance measures can be found at:

<http://www.education.vic.gov.au/school/principals/management/pages/performreports.aspx>

## What is the meaning of '*Data not available*'?

For some schools, there are too few students to provide data. For other schools, there are no students at some levels, so school comparisons are not possible. Newly opened schools have only the latest year of data and no averages from previous years. The Department also recognises the unique circumstances of Specialist, Select Entry, English Language and Community Schools where school comparisons are not appropriate.

## What is this school doing to improve?

All schools have a plan to improve outcomes for their students. The '*About Our School*' statement provides a summary of this school's improvement plan.

## Financial Performance and Position

### Financial Performance - Operating Statement Summary for the year ending 31 December, 2014

### Financial Position as at 31 December, 2014

Revenue	Actual
Student Resource Package	\$4,702,279
Government Provided DE&T Grants	\$1,155,953
Government Grants Commonwealth	\$10,725
Revenue Other	\$21,786
Locally Raised Funds	\$767,644
<b>Total Operating Revenue</b>	<b>\$6,658,387</b>

Funds Available	Actual
High Yield Investment Account	\$8,425
Official Account	\$241,410
Other Accounts	\$123,920
<b>Total Funds Available</b>	<b>\$373,755</b>

Expenditure	
Student Resource Package	\$4,651,606
Books & Publications	\$2,921
Communication Costs	\$11,479
Consumables	\$197,952
Miscellaneous Expense	\$762,659
Professional Development	\$44,550
Property and Equipment Services	\$590,615
Salaries & Allowances	\$206,976
Trading & Fundraising	\$26,255
Travel & Subsistence	\$4,266
Utilities	\$50,541

Financial Commitments	
Operating Reserve	\$280,602
Asset/Equipment Replacement < 12 months	\$12,824
Capital - Buildings/Grounds incl SMS<12 months	\$19,216
Maintenance - Buildings/Grounds incl SMS<12 months	\$13,050
Revenue Received in Advance	\$11,856
School Based Programs	\$36,207
<b>Total Financial Commitments</b>	<b>\$373,755</b>

**Total Operating Expenditure**      **\$6,549,820**

**Net Operating Surplus/-Deficit**      **\$108,568**

**Asset Acquisitions**      **\$79,164**

Misc Expenses may include Bank charges, Health and Personal Development, Administration charges, Camp/Excursion costs and Taxation charges.

Salaries and Allowances refers to school-level payroll.

### Financial performance and position commentary

As per DE&T directive for all schools, a safety net of available funds must be kept uncommitted to meet day to day financial obligations. Glendal Primary School adheres to the conditions of this directive.
