

## PERMISSION FORM FOR GLENDAL SCHOOL WEBSITE

Dear Parents/Guardians,

At the present time at Glendal, we are updating and developing our school website. As part of this work, the web pages on 'Student Work' need to be regularly changed and maintained.

So, at various times throughout the year, student's photographs and/or work may be seen on the website. We require parental permission for each student in the school to be on our school web pages. This is in line with our 'School Privacy Policy.'

The first name of the student only will be included on the website.

Please complete the form below and return it to the classroom teacher as soon as possible. Thanks to all for considering this request.
