

## Principal's Message

**Congratulations** to our student leaders who received their badges at our special whole school assembly on Monday afternoon. Thank you to Mr Matt Fregon, State MP for Glen Waverley who came to present the badges and talk about leadership. Mr Fregon will meet with the leaders again to answer questions about leadership towards the end of this term during their special leadership program.

### Parking around our school

Unfortunately, I have received several complaints from parents and from other members of our local community with regard to the way some of our school parents and families drive and park near the school. The criticism is about a lack of consideration shown to residents and to other parents who are also trying to park.

One local resident, who is taking the matter up with the Monash Council, has written to me in frustration about this issue saying that some parents show *"a gross lack on consideration for fellow parents"* and what is worse *"parking over driveways"*. Many of our neighbours and parents share his frustration.

There are plenty of parking spaces in neighbouring streets only 5 minutes' walk away. Please park a little further from the school and walk.

Please also note that Police and Road Traffic Officers regularly patrol the streets around our school to ensure that all cars are parked appropriately in the designated areas and lawful speeds maintained. Car number plates are photographed and fines issued in the post for illegally parked cars.

## Term Dates

Term 1, 2019 – 31 January to 5 April  
Term 2, 2019 – 23 April to 28 June  
Term 3, 2019 – 15 July to 20 September  
Term 4, 2019 – 7 October to 20 December

### Nottingham Street Car Park

- There is NO right turn into this car park – do not cut across the queueing traffic
- Please do **not** park in the drive-through lane
- Use the crossing to cross the drive-through lane—children must be supervised and walk across the crossing and the car park with an adult or secondary aged student
- Please do not double park or block in other cars or park across or on driveways
- Please drive and park with the safety of our children in mind

### **PARK SAFELY IN NEIGHBOURING STREETS AND WALK TO SCHOOL**

#### Medina Road Staff Car Park - This is for the use of staff only

- Please note the parking restrictions in Medina Rd and Nottingham Street—these are monitored regularly by the local council and parking officers
- Please park legally in the surrounding streets
- Children should be accompanied by an adult or secondary aged sibling when crossing the laneway to the shops

**We also ask that children arrive promptly at school prior to 9.00am and are collected after school prior to 3.45pm.**

### **Notice of Election and Call for Nominations**

I call for nominations for School Council and give notice that an election is to be conducted for members of the School Council of Glendal Primary School. Nomination forms may be obtained from the school office, from early Monday 11 February, and **must be lodged at the school office by 4.00pm on Monday 18 February 2019**. The ballot, if required, will close at 4.00 pm on Monday 4 March. The timeline below is part of the 'Notice of Election'.

Deborah Grossek  
Principal

## School Hours

School commences at 9:00am & concludes at 3:30pm. The arrival of children at school will be supervised from 8:45am. Children will also be supervised while they are leaving school until 3:45pm.

***Please ensure your child arrives with enough time to get to their class. Late arrivals are a disruption to everyone.***

## Attendance

Parents are requested to use the Compass Parent Portal to notify of any child absences, preferably on the day before 9:30am or prior to the day/s.

## New Address

如果你的住址和联系电话有变，请告诉学校办址和联系公室。

### **Have your circumstances changed?**

Update your contact details at the School Office as soon as possible.

Please ensure you let the school office know if you have changed address or updated mobile phones with new numbers.

This information alleviates stressful situations on students when they are ill and we cannot contact parents.

## We are open ...

### School Council, Information and Responsibilities

School Council assists in the governance of the school with responsibilities to: approve student camps and overnight excursions and student overseas travel; approve the annual budget; develop, review and update school policies in line with Department of Education guidelines and legislation; raise funds for the school; oversee the school grounds and building maintenance and oversee the strategic plan development and implementation. They:

- assist in the efficient governance of the school
- ensure that its decisions affecting students of the school are made having regard, as a primary consideration, to the best interest of the students
- enhance the educational opportunities of students at the school
- ensure the school and the council complies with any requirements of this Act, the regulations, a Ministerial Order or a direction, guideline or policy issued under this Act.

**I must emphasise** that it is NOT the role of School Council and parent members of School Council to involve themselves in any concerns and complaints that parents may have regarding staff, other students or parents and the school. Please see the school Principal class leadership and / or your child's teacher if you have a concern, question or complaint. We are very approachable and keen to alleviate concerns and resolve problems. School Council is not involved in any school operational and management matters or day-to-day running of the school.

### **WHAT IS A SCHOOL COUNCIL AND WHAT DOES IT DO?**

All government schools in Victoria have a School Council. They are legally constituted bodies that are given powers to set the key directions of a school within state-wide guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

### **WHO IS ON THE SCHOOL COUNCIL?**

For most School Councils, there are three possible categories of membership:

- A mandated elected Parent category – more than one-third of the total members must be from this category. Department of Education and Training (DET) employees can be Parent members at their child's school as long as they are not engaged in work at the school.
- A mandated elected DET employee category – members of this category may make up no more than one-third of the total membership of School Council. The principal of the school is automatically one of these members.
- An optional Community member category – members are co-opted by a decision of the Council because of their special skills, interests or experiences. Department employees are not eligible to be Community members.

Generally, the term of office for all members is two years. The term of office of half the members expires each year, creating vacancies for the annual School Council elections.

Parents on School Councils provide important viewpoints and have valuable skills that can help shape the direction of the school.

Those parents who become active on a school council find their involvement satisfying and may also find that their children feel a greater sense of belonging.

### **DO I NEED SPECIAL EXPERIENCE TO BE ON SCHOOL COUNCIL?**

➤ Each member brings their own valuable life skills and knowledge to the role. Councillors may need to develop skills and acquire knowledge in areas that are unfamiliar to them. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

### **➤ HOW CAN YOU BECOME INVOLVED?**

The most obvious way is to vote in the elections, which are held in Term One each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

In view of this, you might consider:

- standing for election as a member of the School Council

- encouraging another person to stand for election
- joining the Education sub-committee of School Council.

### ➤ **WHAT DO YOU NEED TO DO TO STAND FOR ELECTION?**

The Principal will issue a Notice of Election and Call for Nominations following the commencement of Term one each year. All School Council elections must be completed by the end of March unless the usual time line has been varied by the Minister.

If you decide to stand for election, you can arrange for someone to nominate you as a candidate or you can nominate yourself in the Parent category.

Department employees whose child is enrolled in a school in which they are not engaged in work are eligible to nominate for parent membership of the School Council at that school.

Once the nomination form is completed, return it to the Principal within the time stated on the Notice of Election. You will receive a Nomination Form Receipt in the mail following the receipt of your completed nomination.

Generally, if there are more nominations received than there are vacancies on Council, a ballot will be conducted during the two weeks after the call for nominations has closed.

### **REMEMBER**

- Ask at the school for help if you would like to stand for election and are not sure what to do
- Consider standing for election to Council this year
- Be sure to vote in the elections.

**Contact the Principal for further information.** I am very happy to discuss School Council with interested parents considering nomination.

**Please note** that School Councillors are expected to commit to attending all Council meetings each year, excepting unforeseen work or family events. Meetings are held twice each term on a Monday evening, usually the third Monday in a month, from 7.00pm. Without the required quorum at Council meetings we cannot complete our compliance demands relating to educational and financial policy and operations work at the school.

### **Mobile phones at school**

We understand that some parents wish their children to have a mobile phone to use when coming to school or returning home for safety reasons however, these phones need to be handed in to the school office by 9.00am and then can be collected after school. Students are not permitted to have mobile phones with them during the day at school. If possible it is best to leave mobile phones at home.

### **Important information - Student Accident and Private Property Insurance, reminder**

The Department of Education and Training (DET), and government schools, **do not** provide personal accident insurance for students. Parents and guardians are generally responsible for paying the cost of medical treatment for injured students, including any transport costs. Reasonable low cost accident insurance policies are available from the commercial insurance sector.

The DET also does not hold insurance nor does it accept responsibility for private property brought to school by students, staff and visitors.

Students are advised not to bring any unnecessary or particularly valuable items to school and are not allowed to bring any electronic toys and games to school.

Please ensure that you have Ambulance cover as this is not covered by the school.

## CHINESE NEW YEAR 2019

This year during Chinese New Year many people celebrated the amazing festival. There are 12 different animals in the Lunar Calendar and this year is the year of pigs. During Chinese New Year Eve families gather for family time and a reunion dinner which is believed to be the most important dinner of the year. Chinese New Year is all about colours, family time, fireworks, lion and dragon dances and giving out red pockets. The main colour is red because it symbolises good luck. We wear red clothes and decorate our houses with red because it brings us good luck, good fortune and prosperity. Lots of people go to lion and dragon dances and enjoy the loud noises and firecrackers. Children and grownups who aren't married are given red pockets which have money inside. As you can see Chinese New Year is a very special festival celebrated by many.

## FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

### CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

### MORE INFORMATION

For more information about the CSEF visit  
[www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

### HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from [www.education.vic.gov.au/csef](http://www.education.vic.gov.au/csef)

If you applied for the CSEF at your child's school in 2018, you do not need to complete an application form in 2019 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools in 2019 or you did not apply in 2018.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing at the school in 2019.

Check with the school office if you are unsure.

# Make a Difference (MAD) Mondays

MAD Mondays are whole school rubbish free days.

In encouraging our students to become more proactive about preserving their environment, we are promoting one day a week where we avoid sending food in wrappers. On Mondays please send lunches and snacks to school in containers that can be reused.

Our Joint Environmental Mission (JEM) Representatives will count the number of people that bring wrappers to school and report this to the JEM teachers. The grade with the least number of people with rubbish will be announced at assembly.

Thanks for supporting this initiative,

The JEM Team

## Ice Brick Fund Raiser

Would you like to own one of these pets? Actually they are ice bricks, to travel in your lunch box each day, keeping your food cool and safe! Just put them in the freezer each night, that's where they sleep!

Use them in  
winter too  
when  
classrooms are  
so warm!

The sale of these ice bricks will buy new books for our school and support two charities – the Fred Hollows Foundation and a village in East Timor. They are just \$4.00 each with a special price of \$2.00 for the monkeys (as they have an extra spot on the nose!). The ice bricks will be great for presents too! Students will be processing the orders, bagging the pets and delivering them to the classrooms, as part of real life learning. Samples will be at the office.

## IMPORTANT LOST PROPERTY INFORMATION

Lost property is not just an issue for the school, it is an issue for all parents as this is our money being left outside in the weather and possibly being thrown out. With over 900 children in the school you can imagine that trying to return items to the children is a big job.

I can't manage this by myself and so I am looking for 2 people who can assist me for just 15 minutes twice a week any time between 2.30 – 3.30pm.

If you can help by simply picking up items you see in the school ground and returning them to the lost property area at the main office, I will return them to the students the next morning once I have sorted and identified the items.

This needs to be a regular task as if lost property is not picked up then the items are left out in the weather. The alternative is that lost property is just going to be thrown out.

This would be a perfect way to help the school and students while you are sitting in your car waiting for the bell to ring and it will just take 15 minutes.

**If you can help, please contact Maxine on 0430 379 505 or [glendalparentsgroup@gmail.com](mailto:glendalparentsgroup@gmail.com)**

Also please remember to name your child's jumpers, lunch boxes, coats, hats or anything else that is bought to school so that they can be returned if lost.

## BOOK SALE

We are selling old books from our library that students haven't borrowed for a while. We have kept some handpicked good condition books for sale, 3 books for a \$1. Proceeds from this sale will go towards buying new books for the library.

We will keep these books on display for the next two weeks at the entrance of the library.

Sultana Hassan  
Library Officer

## *Health News*

### **Insulated lunch boxes and allergy awareness**

As the weather warms up so do lunches and the bacteria in food. Now is the time to get into the habit of freezing an ice pack or a frozen drink to add to the lunch box. Insulated lunch boxes are the best for sending perishable food to school.

Healthy nutritious snacks are encouraged and fresh fruit and vegetable sticks are great brain food! Please refer to the summer fruit and vegetable posters on the Health Centre noticeboard for ideas about different fruit and vegetables to include in your child's lunch box.

**Glendal Primary School has students across all year levels that have allergies.** Some of these allergies are very severe (i.e. life threatening anaphylaxis). The most common allergens in school age children are peanuts, eggs, cashews, cow's milk, fish and shell fish, wheat, sesame, latex and certain insect stings. It is for this reason that we encourage nuts not to be sent to school as a snack. Notes have been sent home to parents in the grades where serious life threatening allergies are a concern asking that you do not send certain foods to school.

In line with this we do not allow food treats for birthday celebrations. If you would like to send something to share with the class please send stickers, pencils, note pads, hair ties, bubbles or a similar alternative as we strive to keep our school environment safe for all students.

### **Yard Duty Bag Monitors**

I would like to acknowledge the work that the Year Five students do to help with the safety and wellbeing of children in the playground. At the beginning of recess they collect the yard duty bags to give to the teachers, then collect them at the end of breaks. Thank you very much to 5J students for delivering the yard duty bags this term.

We look forward to a healthy and happy Term 1 as the students settle into the 2019 school year.

## Welcome Back for 2019!

We've had a busy time settling back into Before and After School Care, and it has been **FANTASTIC** to see all the children's smiling faces and to welcome them back for a new year.

We'd also like to send a HUGE welcome to all our new families for this year. It has been lovely to see the new students settling into the service, exploring their new surroundings and beginning to make friends.

Just a friendly reminder that being Term 1 we expect all students to have hats for outside play, as we spend a lot of time outdoors when the weather is nice. We provide sunscreen for all students as well.

We look forward to a fun filled term and getting to spend time with all the children 😊

Thank you

Angela, Nina, Jaya, Anu and Sam
