

Principal's Message

On Monday we welcomed a visit from Dr Carina Garland, Federal Member of Parliament for Chisholm. Dr Garland was very impressed by our school and students and we very much appreciate the time she took out of her busy schedule to see our school. Our student leaders took her on a tour of the school, demonstrating their professionalism, high level communication skills and very polite manners. Thank you to Janathan Ratnasabapathy, our School Council President, who facilitated this visit.

Congratulations to the following Year 6 talented students for their recent achievements.

Avaani was awarded Year 5-6 Finalist in recognition of her outstanding entry in the 2022 Parliament Prize. This is a competition for Victorian Year 5 and 6 students who have to record their own 90-second Member's Statement about issues that are important in their community. Avaani's Statement was related to making it accessible for all schools to put solar panels on their roof to reduce fossil fuel emissions.

Pratham entered the Melbourne University Micro Mathematics program during the July holidays and was shortlisted in the top 30 students to learn about a much higher level of mathematics. He learned about knot theory and unknot theory which involves special mathematical formulas.

YEAR 2 PRODUCTION

THE LITTLE RED HEN

On Wednesday the 17th August, the Year 2 students performed their production of 'The Little Red Hen' at the Kel Watson Theatre at Forest Hill College. After months of rehearsals, students were very excited to entertain their families. Dressed in their amazing costumes, they performed the story of the Little Red Hen's journey, through song and dance. The students would like to thank Samuel in 6K and the Year 2 teachers for their hard work behind the scenes. Also, thank you to all of the wonderful parents who helped to make the fantastic costumes. An extra special thank you to our music teachers, Mrs. Fornaro and Mrs. Lander, for overseeing our show stopping 2022 production. It was an incredible experience!

What the Year 2s Liked About Production:

Adheesha 2J - My favourite thing about the Production was being able to perform the songs and scripts to our parents.

Amy 2J - I really liked spending time with my classmates and performing together on the stage.

This photo shows the 2J Bakers.

Ann-Beena 2K - I really liked every song because it was very fun, and I like dancing and singing.

Aryan 2K - I liked dressing up in all the costumes, and I especially loved my sparkly bow tie. Most of all, I enjoyed singing the songs.

Donovan 2L - The Production was the best day of my life! It was so much fun.

Saksham 2L - My favourite part was when the parents were there because that is when we got to perform for real!

Yewin 2L - My favourite song was 'Sharing Day' because I liked the dance moves.

Urvi 2M - The part I loved most was doing, 'Who will come help me mill my grain?' That's because we get to move a lot which gives us exercise!!! My mom, dad and big brother said I was AMAZING at acting out my lines!!!!

Avanishh 2M - My favorite song was Sharing Day. It was nice and calm and I was challenged.

Charles 2N - I liked wearing the costumes because they made us look like the animals.

Eric 2N - It was fun performing because I felt confident. I have performed a lot of times before.
