

'unpacking' Glendal Values

Respect

We care for others, the environment around us and ourselves. We value diversity and are open-minded, kind and considerate to all.

Teamwork

We effectively work together, cooperate, communicate, respect all ideas and support each other.

Responsibility

We actively participate in our school community. We ensure that we are self-aware and act as positive role models. We show initiative in doing what needs to be done for others and ourselves.

Resilience

We take risks, learn from our mistakes and bounce forward.

Creativity

We embrace imaginative, unique and innovative thinking. We explore our world to discover, consider and encourage new ideas.

Community

We foster and encourage partnerships with local and global citizens. We actively contribute to a culture of inclusivity and open communication.
